

## **IMPORTANT INFORMATION**

### ***Drop off and collection at The Grand Theatre Blackpool***

**Dear Group Organiser,**

You may have heard that Blackpool Town Centre has undergone some modernisation and regeneration. This has had a knock on effect to our surrounding area.

Blackpool Council have suggested to us an alternative disembark / collection zone on Coronation Street / Church Street be available (please see map).

Your new approach could now be from the main promenade onto New Bonny Street, Albert Road, Coronation Street and finally Church Street. When on Church Street you will see 'access only' bollards in the middle of the road. During peak times the council will arrange for traffic wardens to be on hand to lower these, If we have few coaches arriving they are allowed to still disembark as normal on Church Street / Corporation Street, please call us first to be advised where you should disembark/collect.

If you are arriving after 6.30pm they will automatically lower when approached. **PLEASE DRIVE WITH CARE AND APPROACH SLOWLY.**

**Please advise your driver prior to your departure.**

#### **RISK ASSESSMENT**

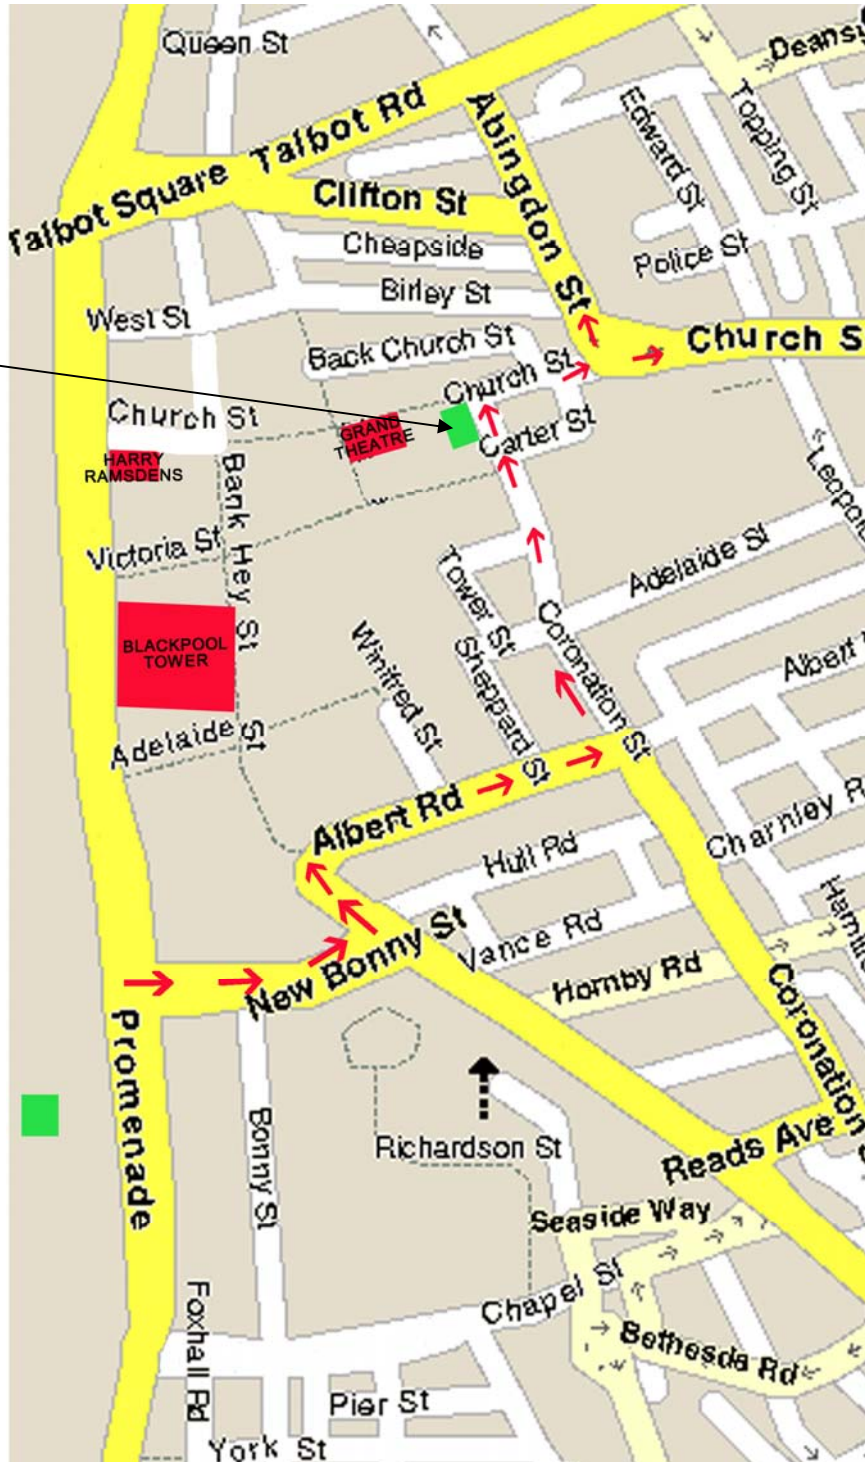

If your group require a copy of our latest Risk Assessment please contact us to have one posted or emailed to you. Alternatively take a visit to our website [www.blackpoolgrand.co.uk](http://www.blackpoolgrand.co.uk) and visit the Learning section which contains all useful information about the theatre including download of work packs; Risk Assessment; any workshop details; and our Child Protection Policy and links to relative sites.

**If you have any queries regarding your booking or need any assistance please call the Group Sales Team on 01253 743232**

# Grand Theatre, Blackpool

Please note new arrival point for disembarking
